By Order No 124-25 dated 1
Dec 1894 herewith enclosed
L Srinivasacharya was
appointed second Travelling
Pandit in connection with
the Oriental Library temporarily
for six months from 1st
Jan[y] to 30[th] June 1895 on
a monthly salary of Rs 25
Kashire Rangacharya Pandit
Ratnam is the first Travelling
Pandit, but he is detained
at Mysore for editorial work,
and Srinivasacharya has
performed for the last six
months the work of Travelling
Pandit The Curator of the
Library says he has done
his work well Pandit
Kashire Rangacharya will
be kept always at Mysore,
so the Curator says It
is therefore necessary to
continue the appointment
of L Srinivasachar or
to appointment some other
man in his place after
the 30[th] June 1895

2 Pandit Rajagopalachar

Pandit Srinivas
Char has done
good work why
do not him -

I do not think
there is any need
for keeping Kashire
Rangacharya if he always
in Mysore The Oriental
work as at present
employs or will employ
twenty hours only
throughout the year -
He may be sent on
occasionally as work
for -

In my opinion
a second Travelling
Pandit is unnecessary
but I would retain
Srinivasachar
another 6 months
He should be employed
Hold during the
session In the meantime
the Pandit Rangacharya
should be told to
complete the Oriental
Work

S. 2-1 WD 191-D 1&1-16/95- From the Government

The Adhyaksha of the Sanskrit School at Chikballapur has applied for the post of a Travelling Pandit which Vidwan Kasturi Rangacharya was appointed Travelling Pandit on probation for one year. The only other candidate competing with him was Pandit Rajagopalachar who is one of the most learned Pandits in the Province. He is famous as a learned Sanskrit Scholar, and has Kumarese scholarship is well known. He occasionally helps Mr Rice in his archaeological work. He wants to be appointed Travelling Pandit in place of Srinivasachar, but on the same pay as Kasturi Rangacharya which is Rs 50 a month. He is a man of very great influence and is well known all over the Province & in the neighbouring Kanarese Districts. I am sure he will be able to collect many valuable MSS for the Oriental Library both from the Province & the neighbouring districts. I strongly recommend that he may be appointed on probation for a year or two on Rs 50 or at least Rs 40 per mensem with the travelling allowances sanctioned for Kasturi Rangacharya at the end of his term of probationary appointment he may be confirmed or appointed for a further period. Srinivasachar will be thrown out of employment which will be a disappointment to him. But he is a young man & may be employed elsewhere when an opportunity occurs. Pandit Rajagopalachar lately sent several MSS from his private library for transcription to the Oriental Library.

has the honor to state that
it is not possible, without
prejudice to the several
works already undertaken,
to retrench the expenditure
in connection with the
Oriental Library so as to
make room for the appoint-
ment of Pandit Raja Gopal
achar Pandalaratnam Ray
-achar who was originally

appointed Travelling Pandit has now to be kept always at head quarters to cope with the increased work of editing Sanskrit authors and to prepare descriptive Catalogues of Sanskrit manuscripts while Pandit L Srinivasachar is the only Travelling Pandit on the Establishment doing the actual work of search for manuscripts As a young man of high character and earnest devotion to work as well as of great learning and natural intelligence, Pandit L Srinivasachar has proved himself the most competent man for the work of a Travelling Pandit He is inferior to no other Pandit now available to do the duty As, however, the field of search for manuscripts is very wide Pandit Raja Gopalachar may be appointed an additional Travelling Pandit provided the additional Expenditure to be incurred thereby could be afforded

The application of Pandit Rajagopalachar is herewith returned
